CALL FOR PAPERS

International Conference TIMTED 2017
“Current Economic Trends in Emerging and Developing Countries”
Timisoara, Romania, 19-20 May 2017

The Faculty of Economics and Business Administration, West University of Timisoara, and the East-European Center for Research in Economics and Business (ECREB) are pleased to invite you to attend the fourth edition of the International Conference “Current Economic Trends in Emerging and Developing Countries” (TIMTED-2017). The conference addresses to all academics, teachers, researchers, PhD students, and to professionals as well, from all over the world, and it will take place on May 19-20, 2017, being integrated into a wider range of events dedicated to celebrating 50 years since the Faculty of Economics and Business Administration from West University of Timisoara was founded.

The conference aims to provide participants with a high quality scientific context and to facilitate debates and exchange of ideas and opinions on contemporary social problems: globalization, the capricious and dynamic organizational environment, development of digital technologies etc. The conference encourages interdisciplinary research based on economic and business science, related to other fields such as sociology, political science, psychology, anthropology, digital technologies etc.

DEADLINES
• March 20, 2017 – submission of full paper/extended abstract
• April 10, 2017 – notification of the authors regarding paper acceptance/rejection
• April 20, 2017 – registration and payment.

CONFERENCE FEE
The conference fee is 100 Euros per participant and it includes:
• attendance,
• conference bag and materials,
• coffee breaks,
• participation to Gala Dinner.
PhD Students pay a reduced conference fee of 50 Euros per participant.

TIMTED 2017 PARTNERS
• International Center for Decision and Risk Analysis, Dallas, Texas, United States
• Le Studium Loire Valley Institute for Advanced Studies, France
• Institute for Economic Forecasting, Romanian Academy
• Institute for World Economy, Romanian Academy
The authors may send full papers or extended abstracts which will be first evaluated by the Conference reviewers. Extended abstracts of 1600 to 2200 words must have the same structure as full papers (introduction, literature review, methodology, results and conclusions). A maximum of two papers may be submitted to the conference by every participant, as sole author or co-author. Only original papers are accepted for conference participation, related to the proposed topics, or focused on other topics in economics and business. However, the choice of titles is recommended to consider areas or topics listed as follows.

IMPORTANT NOTES
Full papers or extended abstracts shall be sent in Word or PDF version at office@timted.ro. For the papers accepted in the conference there is the possibility of publication in three journals:
- Scientific Annals of Economics and Business
- Timisoara Journal of Economics and Business
- Journal of Heterodox Economics
These papers will be reviewed according to the internal review criteria. During the conference we will benefit of the presence of Professor Alistair Anderson PhD, Editor-in-Chief of Entrepreneurship & Regional Development Journal, indexed ISI (Impact Factor 1.629). Professor Anderson will select some of the papers presented at the conference if these are adequate to the journal. The conference official language is English.
