

# Leniency Application for Entering Hungary during COVID-19 Accessed at the Police's Electronic Administration Portal

<https://ugyintezes.police.hu/en/uj-ugy-inditasa/>

1.

The screenshot shows the first step of the application process. The header includes the logo of the Hungarian Police (Rendőrség) and the text "Ügyintézési portál". A search bar and navigation icons for "Payments", "Start New Case", and "Basket" are visible. A progress bar at the top indicates three steps: 1. Type of administration, 2. Policy group, and 3. Form. Below the progress bar, the text "Select the type of administration." is displayed. There are ten categories of administration branches, each with an icon and a title: Criminal policing branch, Inspection branch, Finance branch, Border policing branch, Administration branch, Administrative policing branch, Submissions related to the epidemic control measures (highlighted with a red box and the text "Click on this forum"), Judicial review of administrative actions, Traffic policing branch, and Public order branch. A "forward" button is located at the bottom left.

2.

The screenshot shows the second step of the application process. The header is identical to the first screenshot. The progress bar now highlights step 2, "Policy group". Below the progress bar, the text "Select the policygroup!" is displayed. There are four categories of policy groups, each with an icon, a title, and a description: "Submissions related to the epidemic control measures" (with the description "Send information on the results of PCR negative tests related to border crossing"), "Submissions related to the epidemic control measures" (with the description "Border crossing data communication prior to entry into Hungary (preregistration)"), "Submissions related to the epidemic control measures" (with the description "Send information about the PCR test date"), and "Submissions related to the epidemic control measures" (with the description "On lodging an equity request to cross the state border or an appeal against a decision taken in this subject", highlighted with a red box and the text "Click here"). A "back" and "forward" button are located at the bottom left.
