Dear partners,

This year we start with a new online application for the incoming internship students. Since the start of the online application this year has been delayed we’ll extend the application period until December 13th 2019.

The study areas in which we offer an internship are: Hotelmanagement, Early Childhood Education, Teacher training, Bio-medical Laboratory Technology, Midwifery, Nursing and Nutrition and Dietetics.

Please find enclosed the guidelines for your students.

Kind regards,

Johan
