Dear partners,

Hope you are doing well. First of all, we would like to inform you that there are changes in our team (International Relations Services) as Elena Pakalnyte and Gintare Tamulaityte have left the office. From now on Dainora Pavalkytė will work with incoming mobilities, her email is incoming@go.kauko.lt and Monika Mickevičiūtė will work with outgoing mobilities, her email is outgoing@go.kauko.lt. As you may know we have international coordinators in the faculties and we have a new staff member in our Faculty of Arts and Education. She is Kristina Juodeikiene (kristina.juodeikiene@go.kauko.lt). So, we hope for continued cooperation.

Furthermore, we are pleased to remind you that the application for studies at Kaunas University of Applied Sciences for the spring semester of the academic year 2020–2021 has already begun.

**NOMINATION**
- Nomination form should be sent to incoming@go.kauko.lt.
- Deadline to nominate the students: 15th of November, 2020.

**APPLICATION**
- Steps for students and trainees can be found here.
- Deadline to apply for studies: 1st of December, 2020.
- Application for internships is open all year round.

We are waiting for your students and hope they will be able to come to Lithuania!

Of course, the COVID-19 situation is difficult to forecast and it brings us a lot of challenges. However, in the spring semester, the same as now, we are going to organize studies in hybrid model combining courses in classrooms / labs with arranging studies remotely. Theoretical courses and courses with a big number of students in most cases will be taught remotely. The spring semester will start February 1. Orientation days will start one week earlier before the lectures start, but we shall inform the students about it separately.

*P. S.* Please do remember that our name in English has changed. As for now it is Kaunas University of Applied Science.

Regards and looking forward to our further collaboration.
