Dear Partners,

In light of the difficulties encountered by some of our partners in implementing the planned mobilities in the context of the COVID-19 pandemic, Babes-Bolyai University extends the nominalization period until the 15th of October 2020 for the faculties that have all their courses and seminars online.

The new deadline applies only for the online courses held in English, French, Hungarian, and German from the following faculties: Mathematics and Computer Science, Geography (Cluj-Napoca), Law, Letters, History and Philosophy, Sociology and Social Work, Economics and Business Administration, European Studies, Business, Political, Administrative and Communication Sciences, Roman-Catholic Theology (Cluj-Napoca).

Please send the nominalization for online courses to the following e-mail address: ilona.dranca@ubbcluj.ro.

We hope that this measure will support the students who were unable to make their planned mobilities.

Kind regards,

Ilona Drancă
